

# Exploring South African Paper and Allied Industries

# Paper Africa Durban

2nd International Exhibition on Paper, Tissue, Converting & Stationery Industry  
13 - 15 June, 2012, International Conventional Centre, Durban, South Africa

## Special Pavilion on Stationery Products & Household Paper Products

### About the Event

Focused trade exhibition on Paper and its allied industry will pave way for local and international paper manufacturers and suppliers to showcase their excellence especially new products, new technology to the richest nation in African Continent. Exhibition is supported by China National Household Paper Industries Association (CNHPIA).

### Venue

Durban is the largest city in the South African province of KwaZulu-Natal and the third largest city in South Africa. Durban is a city right on the verge of becoming a major world player within the business market, its unrivalled location mixed with world class conference and hotel facilities means the city is ready to compete in the international business arena. The Port of Durban is now the busiest port in South Africa, as well as the third busiest container port in the Southern Hemisphere

Supported by

China National Household  
Paper Industry Association
